### Mortgagee Letter 2023-05, Continued

Refinance and Simple Refinance Mortgages used to refinance a previous FHA endorsed mortgage on or before May 31, 2009.

## **Background**

FHA plays a critical role in providing access to homeownership for millions of Americans, particularly for first-time homebuyers and underserved communities. FHA periodically re-evaluates the appropriate level of MIP pricing based on the state of the Mutual Mortgage Insurance Fund (MMI Fund) and housing and economic conditions. FHA has determined that a reduction for certain programs to the annual MIP rate it charges pursuant to NHA Section 203(c)(2)(B) is necessary and appropriate to the execution of FHA's mission and role in the mortgage market.

# **Summary of Changes**

#### This ML:

- reduces the annual MIP on Title II Single Family forward mortgages endorsed on or after March 20, 2023, with the exception of those programs noted; and
- amends the Base Loan amount threshold used to establish MIP rates to the national conforming loan limit.
